

# Halloween Parade

There are some witches brewing up a scary good time on Friday, October 31, at 6:00pm. Every ghost, goblin, princess, fairy, and super hero in Croatan (and their parents) are invited to 724 Virginia Dare Dr. to drink some "blood" punch (adults can BYOB), chew on some "finger" food, octopus hot dogs, and any ghoulish sides you may want to contribute. There will be an igloo of water for thirsty spooks.

The parade around The Loop will begin about 7:00pm and from there, spread around the neighborhood for some serious Trick or Treating. This will be a Halloween to remember.
