

ROAD CLOSURES

The Towne Bank 8k will run on Saturday March 17, 2012. The Marathon and Half Marathon will run on Sunday March 18, 2012. The majority of the road closures will occur between 6:30am and 2:30pm.

During the race, cars will be allowed to cross the course only when safe to do so. Traffic metering will be monitored by police officers stationed along the course; metering vehicles across the race course will be at the discretion of the police officer on duty. **For easiest access, avoid the race course and follow the recommended directions around the road course.** Please note that during the peak race flow time the roads will be impassable.

PARTICIPATE

Spectators are encouraged to line the course at the starts, along Atlantic Avenue, and the finish to cheer on the runners and walkers from all around the world. If you would like to get involved there are many volunteer and sponsorship opportunities available to individuals and groups. Thank you for helping to make the Yuengling Shamrock Marathon Weekend a world-class event with a hometown feel.
